

COFFEE TABLE

HUMLAN 771

Humlan is a furniture collection featuring sofas, armchairs, chairs, and tables with soft, rounded forms. It has been designed to create an inclusive and welcoming environment that breaks up the rigid geometry of a room and gives a softer impression.

Humlan coffee table is available in various widths and heights, with or without a shelf, and can be used as a coffee table, side table, or set table.

The coffee table is made of FSC®-certified birch or oak and is certified with Möbelfakta. It is offered as standard in clear lacquer, white, or black, and is also available in any custom color on request.

Design: Eva Schildt

DIMENSIONS

Height	59 cm
Width	50 cm
Depth	50 cm

Any color available as an option on this product.

WOOD

Wood is a living material whose grain from the very beginning has a natural variation in pattern, color tone and luster. The wood is affected by, among other things, the season, heat and humidity. That wood is a living material means:

- Screws need to be re-tightened regularly, at least once a year.
- Solid table tops can naturally warp by up to 0.5%.
- Light from the sun and lighting can cause permanent color and light differences in the surface, so allow the entire wooden surface to be exposed to the same amount of light.

Out of concern for the environment, we paint a large part of our range with water-based surface treatments. This means:

- Spills of coffee and other liquids need to be wiped up immediately.
- For cleaning, hand washing detergent or pH-neutral detergents and lukewarm water are recommended. Wipe off with clean water and wipe dry. Do not use cleaning agents that are alkaline, aggressive, contain abrasives or solvents.
- For disinfection, non-alcohol-based agents are recommended, e.g. Virkon or DAX Alco Free. Alcohol-based agents must not be used.
