

ARMCHAIR

CHARLIE 152

Charlie is a chair developed based on identified needs for a healthcare chair. The design is characterized by soft forms and an inclusive expression. The chair is stackable and can be hung for easy cleaning and flexible furnishing, and features stable, full-length armrests designed to prevent tipping. For good hygiene, Charlie has removable and washable upholstery.

Charlie is well suited as a dining chair in healthcare and care environments.

The chair is made from FSC®-certified birch and oak and is certified with Möbelfakta. It is offered as standard in clear lacquer, white, or black, and is also available in any custom color on request.

Design: Peter Andersson
