

FOOTREST

AMULETT 738

Amulett family is an inclusive and embracing furniture with round inviting shapes, designed to work in environments with high demands on comfort, hygiene and security. Amulett footstool is made of solid wood with removable upholstery, which facilitates washing.

It is a natural complement to Amulett 731 and 736 in both design and function. Amulett is made of FSC® mix.

Fotpallen är ritad av Studio JOOY.
