

CHAIR

# GEPETTO 401

Gepetto 401 is a chair with a playful design, without compromising on function and inclusion. It has been nicknamed the "SMS chair", after its cupped armrests that give the elbows the perfect angle for mobile surfing.

Gepetto 401 is offered with a wooden seat or an upholstered seat. It is stackable and hangable, to facilitate storage. Removable fabric for the back is available as an accessory.

The chair is made of solid birch and can be obtained clear lacquered or stained.

DIMENSIONS

Height	80 cm
Width	53 cm
Depth	50 cm
Seat height	45 cm
Seat depth	44 cm
Höjd armledare	66 cm

Any NCS-color available as an option on this product.

## WOOD

Wood is a living material whose grain from the very beginning has a natural variation in pattern, color tone and luster. The wood is affected by, among other things, the season, heat and humidity. That wood is a living material means:

- Screws need to be re-tightened regularly, at least once a year.
- Solid table tops can naturally warp by up to 0.5%.
- Light from the sun and lighting can cause permanent color and light differences in the surface, so allow the entire wooden surface to be exposed to the same amount of light.

Out of concern for the environment, we paint a large part of our range with water-based surface treatments. This means:

- Spills of coffee and other liquids need to be wiped up immediately.
- For cleaning, hand washing detergent or pH-neutral detergents and lukewarm water are recommended. Wipe off with clean water and wipe dry. Do not use cleaning agents that are alkaline, aggressive, contain abrasives or solvents.
- For disinfection, non-alcohol-based agents are recommended, e.g. Virkon or DAX Alco Free. Alcohol-based agents must not be used.
