

ROCKING CHAIR

CURT 091

Curt is a series of peg chairs in birch, which is Björn's big brother series. Curt comes in wider and rounder shapes and suits, for example, lounges and dining rooms.

Gungstolen Curt 091 finns med träsits eller med fast, klädd sits. Den kan beställas i klarlackad björk eller betsad i svart eller vitt som standard. Curt är ritad av Björn Dahlström.

DIMENSIONS

Height	83 cm
Width	57 cm
Depth	84 cm
Seat height	49 cm
Seat depth	41 cm
Höjd armledare	73 cm

Any NCS-color available as an option on this product.

CERTIFICATIONS

VIEWS

ADDED VALUE

- Available as a armchair and rocking chair
- Fair total depth gives the opportunity to place a rocking chair in a public environment
- Spacious and comfortable, works well as a dining chair as well as a solitary
- Related to the chair Björn and the armchair Sture

ACCESSORIES

- Can be stained in any color
- Available as a wooden seat or a fixed upholstered seat
- Shaped sheepskin

RECYCLING

- Solid wood

WOOD

Wood is a living material whose grain from the very beginning has a natural variation in pattern, color tone and luster. The wood is affected by, among other things, the season, heat and humidity. That wood is a living material means:

- Screws need to be re-tightened regularly, at least once a year.
- Solid table tops can naturally warp by up to 0.5%.
- Light from the sun and lighting can cause permanent color and light differences in the surface, so allow the entire wooden surface to be exposed to the same amount of light.

Out of concern for the environment, we paint a large part of our range with water-based surface treatments. This means:

- Spills of coffee and other liquids need to be wiped up immediately.
- For cleaning, hand washing detergent or pH-neutral detergents and lukewarm water are recommended. Wipe off with clean water and wipe dry. Do not use cleaning agents that are alkaline, aggressive, contain abrasives or solvents.
- For disinfection, non-alcohol-based agents are recommended, e.g. Virkon or DAX Alco Free. Alcohol-based agents must not be used.
