

# Freja 238

Freja is a broad and diverse family of sofas, easy chairs and chairs in various sizes and with different functions. They offer superior comfort and create an overall harmonious look.

Freja with a metal frame is a functional easy chair that offers stepless adjustability and high seating comfort. It is suitable for many areas of use. This easy chair has been designed with a focus on hygiene for interiors where disinfection is an important part of the daily routine.

Freja has removable and washable seat fabric, and a gap between the seat and back to prevent dirt and bacteria entrapment. For the best hygiene, we recommend artificial leather, which does not require drying after disinfection.

The neck cushion and rubber fabric on the seat can be ordered as optional extras. The easy chair has an adjustment control that can be ordered for both sides of the chair as an optional extra.
